

Karan Mehta

karan.mehta@email.com | +91-91234-56780

SUMMARY

Machine Learning enthusiast with hands-on experience in deep learning and statistical modeling from internships and coursework.

SKILLS

Python, Machine Learning, Deep Learning, TensorFlow, Statistics, Problem Solving, Communication

EXPERIENCE

ML Engineer Intern, DataVision Labs (2024)

- Trained deep learning models for image classification using TensorFlow
- Applied statistical methods to validate model performance
- Collaborated with senior engineers to improve model accuracy

EDUCATION

B.Tech in Information Technology, 2024
